Mr. Sul Allyn, General Manager
Ride-Away of Maryland
11409 Maryland Avenue
Beltsville, MD 20705

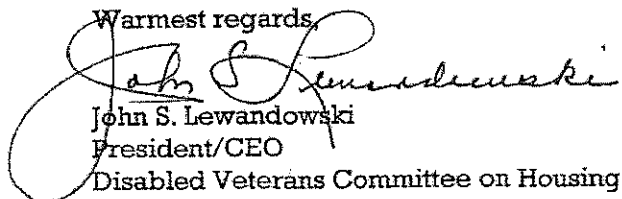

Dear Sul:

I wanted to take a few minutes to say how impressive Ride-Away of Maryland is when providing assistance when they are needed. I had a trip to Richmond, Virginia on Saturday to a ceremony that I had to attend and my own vehicle was not suited to handle the task involved. I called and spoke to Ride-Away and they handle the situation and I was transported to and from the Event and didn't have the worries or concerns of the long trip due to my medical condition.

The Ride-Away driver, Pedro was excellent in all areas of the trip and I want to let you know that it's a reflection on you as the General Manager to have people that are professional and courteous when dealing with potential new customers and the general public.

Again, Mr. Allyn, thank you for making my trip relaxing and free of worries. Oh, a final note, I had a friend that travelled with me to the event and he called me and said that he was impressed on the services provided by your organization. Thank you.

Warmest regards,

John S. Lewandowski
