

To: Ride-Away - Tampa, Fl.

When we arrive at Ride-Away we are greeted by Margaret. She has a friendly smile & is always courteous & helpful. When we had to spend several hours today, Margaret went out for lunch & met our needs.

Steve & CB have been very accomodating.

Whenever we've had a problem Steve has found a way to schedule us in immediately. CB has worked diligently to meet our needs. The staff has been creative/innovative in making the necessary repairs.

We are thankful to find that Ride-Away has a site in Tampa - not too far from our winter home.
