

Dear Mr. Lore -

I would like to bring to your attention the wonderful service we received from Lee at the North Attleboro facility. He went above and beyond what I expected when he represented my situation with Braun. He is professional with integrity. This is true of your entire staff in North Attleboro.

Please thank Lee for us.
It is because of this team, I am able to recommend Ride-Away to others.

Our Sincere Gratitude,
Beth + Richard N
