

WE NEED YOUR HELP!!!

Due to current market conditions, such as large companies holding on to their vehicles longer, reduced production from manufacturers, and increased foreign competition due to a weak dollar, we are now faced with a severe shortage of quality pre-owned vehicles to satisfy our clients' needs. As a result...

Your vehicle could be worth more money today than it was 2 years ago!

**Guess what...
You could be driving in a
SMALL FORTUNE!**

Take a look at how we've managed to help hundreds of clients, just like you, take advantage of these unique market conditions:

- **Brand new vehicle for the same or lower payment as their old model**
- **Improved fuel economy, and reduced running costs**
- **New state of the art conversion technology**
- **Advanced safety features, for greater security and peace of mind**
- **Eliminate costly "out of warranty repair bills"**
- **Equity cash back in their pockets, for more pressing concerns**

Why not call us, or bring this flyer to your closest Ride-Away location, and see if we can help each other today!

Thank you, from our dedicated Mobility Team!

Disclaimer: All appraised vehicles are good for 30 days based on mileage and condition. Restrictions may apply; consult your local Ride-Away representative for more details.
