

Dear Connie and Barry,

Thank you very much for your attention in getting the Companion Seat properly set up in our Chrysler van. The seat works great and my wife and I are very grateful to you and Barry for seeing that everything is set up as it should be. The technician who worked on the seat did a fabulous job. It was finally done professionally and we appreciate it very much. Once again, thank you and Barry for your attention in this matter.

Sincerely Yours,

Norman and Doris S.
